### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the cited prior art and the prior art of the record do not teach or suggest:

“applying the modulated data to a pixel electrode of the liquid crystal cell during an initial portion of an output period for applying data to the pixel electrode of the liquid crystal cell and applying data different from the modulated data to the pixel electrode of the liquid crystal cell of the liquid crystal panel at a later portion of the output period than the initial portion” as claimed in independent claim 1;

“a data provider alternately applying the modulated data and data different from the modulated data to a pixel electrode of each of the liquid crystal cells of the liquid crystal panel” as claimed in independent claim 7;

“a data provider alternately applying the modulated source data and the second source data to a pixel electrode of each of the liquid crystal cells of the liquid crystal panel through the data lines during a frame period” as claimed in independent claim 18; and

“applying a modulated data signal to pixel electrodes of each of liquid crystal cells of a liquid crystal panel within one frame period; and applying a data signal to the pixel electrodes of each of the liquid crystal cells within the one frame period” as claimed in independent claim 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
